The college is committed to providing a lively and supportive environment with extensive facilities for cultural, innovative, and fitness activities, giving students many opportunities to explore their interests beyond academics.

Students who are interested in culture, They can participate in events at the The Girdharlal Open Air Theatre, which is designed for cultural activities and performances. The Girdharlal Open Air Theatre offers an outdoor space for up to 2,000 people to enjoy shows in a pleasant setting. The college also supports cultural and sports events financially as per university ordinance.

For sports enthusiasts, the Rosy Blue Pavilion within a cricket ground provides a great space for physical activities, whether for friendly matches or skill development. The cricket ground features a roofed area with tensile roof shed for the audience, offering protection from the heat and rain. Inside the college, a modern gym and fitness center offer various fitness options like weightlifting and yoga, catering to different preferences and promoting overall well-being.

Additionally, we provide several indoor and outdoor games facilities with trainer such as Kabaddi, Kho-Kho, Volleyball, Chess and Table Tennis.

These facilities underscore the college's commitment to holistic education, fostering students' physical, mental, and emotional growth for future success.
